### Profile

---

Highly motivated and proactive Junior Front-end Developer seeking a challenging position to apply and enhance my technical skills. With a solid foundation in programming languages such as HTML, CSS, JavaScript and Bootstrap, I am eager to contribute to a dynamic team and gain hands-on experience in software development.

### Professional Experience

---

- |                      |  |                              |
|----------------------|--|------------------------------|
| 07/2023 – present    | <b>Web Designer/Developer, Web Artist</b><br>As a Junior Web Designer/Developer with less than a year of experience in the WordPress ecosystem, I have a strong understanding of WordPress themes and plugins, and I am proficient in custom development. I also work with clients to understand their needs and create websites that are engaging, user-friendly, and optimized for search engines. I am committed to delivering high-quality work on time and within budget. | Krugersdorp,<br>South Africa |
| 03/2015 –<br>02/2016 | <b>Software Developer Intern, ThinkRoom</b><br>The internships purpose was to give practical real-time training and experience in the development process within different types of projects. This meant that going through the Information Technology fundamentals to Database and SQL Server programming through to collaboration and Microsoft Azure Clouding tools such as SharePoint 2013 and Office 365.   | Tshwane,<br>South Africa     |

### Education

---

- |                   |   |                               |
|-------------------|---|-------------------------------|
| 01/2012 – 11/2013 | <b>BTech Higher Diploma in Information Technology,</b><br><i>London School of Business &amp; Management/CTI College</i> | Johannesburg,<br>South Africa |
| 01/2008 – 11/2010 | <b>Matric (Grade 12), St Martins High School</b>  | Johannesburg,<br>South Africa |
